## Special donation for wounded warrior

Morgan Central Elementary School student Mason Berry, 8, is pictured above giving a Playstation 2 video game system to veterans' advocate Sandra Sharp to donate to wounded veterans. Sharp, whose son was wounded in Afghanistan last year, will take the gift to a veterans' rehabilitation hospital in Washington, D.C. Berry said he wanted to give the system to bedfast veterans to use during their recovery process. He is the son of JoEllen Berry, of West Liberty.

## Stolen vehicle, equipment recovered; man charged

By Miranda Cantrell  
James

A local man was arrested on Thursday, Aug. 6, after attempting to flee on foot from law enforcement officials investigating a stolen property complaint.

Robert Jones, 31, of 484 Sugar Camp Rd., off Hwy. 172, was apprehended at the home of Anita Adams on Hwy. 1161 (Mordica Road) when Morgan County Sheriff's Department officials found a 1992 Ford Explorer at the Adams residence believed to have been stolen by Jones.

Deputy Anthony Gullett said that the vehicle, along with a tractor and bushhog, was stolen from the residence of the late Stoney Mason on Hwy. 706 around July 24. The items were reported missing by someone from a neighboring residence.

The SUV, which had once sported a burgundy paint job, had been re-painted black.

Gullett said Jones ran out the back door of the Adams residence and into a nearby cornfield when police approached the home. Game Warden Dean

## Bear killed at Redwine Tues. after attacking family dog

## Wildlife Dept. had been tracking bear en route to Morgan

A Redwine resident shot and killed a bear at his home on Tuesday morning after the animal attacked his dog.

Zachary Burton said he heard a commotion outside the home of his parents, Ralph and Kaye Burton, and went outside to find the bear attacking the family's German Shepherd.

"The bear was trying to eat the dog," Burton said. "I shot the bear once with a .45-caliber gun, and that killed it. The dog wasn't hurt."

An official from the Kentucky Department of Fish and Wildlife

who was dispatched to the scene noted that the department had been tracking the 274-pound bear, which reportedly came to Redwine from Carter County.

Nobody had reported seeing the bear in the Redwine area until the animal came to the Burton

residence, though Burton said officials told him that it had been getting into outdoor trash cans elsewhere.

Officials reportedly took the bear to Camp Webb in Grayson, to be put on display at the facility.

## Candy for Baghdad youngsters

Specialist Denver Lee Williams, 20, a member of the Army National Guard's 301st Chemical Company, based in Morehead and now stationed in Iraq, shares some candy with two Iraqi youngsters while on patrol in Baghdad. Spec. Williams told his parents that he handed out all the candy he had to several children who approached him asking for "choc-co-late." After handing out all his candy, he said he tossed a pop tart he had brought along for breakfast to a young boy who looked at it and shrugged his shoulders. "He apparently didn't know what it was but kept it anyway," Williams said. Denver's proud parents are Mike and Brenda Dalton of Cannel City.

# Transportation Cabinet is eager to ‘Adopt’ your student’s ideas

Each year the Kentucky Transportation Cabinet hosts a contest to allow students from across the commonwealth to submit creative works for use in the annual Adopt-A-Highway calendar.

Exposure to the contest and to the Adopt-a-Highway program provides young people with a sense of ownership in Kentucky's highways and stresses the importance of keeping Kentucky's highways clean and free of litter. The contest is aimed at educating and encouraging children not to litter and to spread the message to others.

“Through this program the cabinet hopes to increase environmental awareness and stewardship among children and to bring about a change in attitudes and behaviors concerning a growing

problem with litter,” said Transportation Secretary Joe Prather.

“With your child’s help a change in attitudes could result in a pleasing change of scenery. We encourage all students to participate in this worthy contest,” Prather said.

Parents, teachers and family members are asked to encourage children to participate in the contest. The entry form with the necessary certificate of authenticity can be obtained by contacting the Kentucky Transportation Cabinet, Office of Public Affairs.

The form also is available online at <http://adopt-a-highway.ky.gov/>. Click on poster contest

Entries must be postmarked by Sept. 30, 2009.

## Signup deadline nears for ACRE, DCP programs

Lexington, Ky., Aug. 3--Robert Finch, Acting Executive Director of USDA's Farm Service Agency in Kentucky reminds producers of the deadlines for enrolling in the new Average Crop Revenue Election (ACRE) Program or the Direct and Counter-Cyclical Program (DCP). The deadline to enroll in ACRE or DCP for 2009 is August 14, 2009.

ACRE is an innovative alternative to the traditional farm safety net, but this new program comes with a complex signup process. Producers should contact their local office right away to set up appointments well before the August 14, 2009 deadline.

Late-filed applications for ACRE or DCP will not be accepted. Producers should note also that ACRE elections will not be approved until all producers, including owners, on a farm have signed both election and enrollment forms. If producers do not elect ACRE, they still have the option of enrolling in the DCP program by August 14, 2009. Both ACRE and DCP require all signatures be obtained by the deadline.

It is the responsibility of the operator and owners of a farm to obtain and submit all necessary

signatures on election and enrollment forms by the August 14, 2009 deadline.

Producers should also note that once they select ACRE for a farm, that decision irrevocably

elects ACRE for the farm through crop year 2012. In that case, the ACRE contract form must be completed each year the producer intends to participate and receive benefits.

For more information about the ACRE program and an online ACRE Calculator, visit [www.fsa.usda.gov](http://www.fsa.usda.gov) or contact your local Farm Service Agency (FSA) county office.

### Household Hints

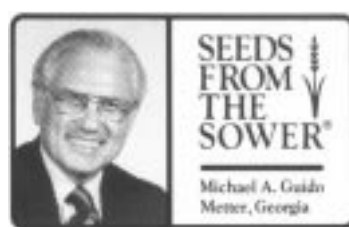

- To get rid of cobwebs in the corners of a room, spray them with a mixture 1 quart of white vinegar and 1 teaspoon of coconut oil.

- Make a good bathroom cleaner with a mixture of one-fourth cup vinegar and three-fourth cup of water. Vinegar helps to prevent mildew.

- Be safe in building a fire in a fireplace by placing the logs in the rear and never overload in order to prevent logs from rolling out on the floor and causing a fire.

- Use a fireproof hearth rug to keep flying sparks from starting a fire. A fireplace screen is another security measure for flying sparks.

As a fire prevention, have chimneys inspected annually for cracks.

One day a man joined a famous church. That night the pastor preached a stirring missionary sermon and the congregation sang fervently, "Resue the Perishing."

As the people were leaving, he asked a deacon, "When do we start?"

"Start what?"

"Start rescuing the perishing," he said.

"Oh," said the deacon, "that's just a song."

Too many of us sing without serving, read without responding, and worship without working.

Our Lord said, "This people honorest Me with their lips, but their heart is far from Me. But in vain do they worship Me."

Ronald McKenzie and wife, Bonnie at the cash register of McKenzie Shopwise.

## A thank you from owners and employees of McKenzie Shopwise

McKenzie Shopwise, which closed its doors last week to make room for a new county judicial building, was established in 1945 by the late Oscar McKenzie, and following his death was operated by his son, A. P. "Buck" McKenzie and his wife, Pauline, until Buck's death in 1975.

Ronald McKenzie began working at McKenzie's Grocery in 1962. In 1975, he and Wendell Williams purchased the store from Buck and Pauline and

changed the name to McKenzie & Williams Ky. Food Store. In 1981, Ronald and wife, Bonnie, bought out their partners and named the store McKenzie's Ky. Food Store. In 1985, they renamed the store McKenzie Shopwise.

Ronald and Bonnie continued to operate the store until 1998, when Ronald, who had been diagnosed with kidney cancer in April of that year, succumbed three months later in July. Bonnie continued to operate the store

alone until 2001 when she married Darrell Pelfrey. The two of them had operated the store until it closed.

One employee, whose loyalty, friendship and dependability were "much appreciated," said Bonnie this week, was Darrell Brooks. Darrell was an employee at McKenzie's for 37 years.

Bonnie and employees wish to take this opportunity to thank their friends and customers for their many years of doing business with them.

## W.L. Police Dept. reminds motorists of muffler ordinance

These laws prohibit unlawful/unreasonable loud noises and modifications to vehicle exhaust systems which amplify or increase noise emitted from motor vehicles. The department asks citizens to be mindful of these laws, particularly near churches during Sunday morning services.

### FAMILY INFORMATION SOUGHT

I am looking for information on the family of Frederick Fraley/Friley, who lived in Morgan County about 1840.

My research indicates he had approximately nine children by his first wife, Mary. Mary's last name is unknown, but possibly Mary Cope. I believe she died in Morgan County about 1837.

Frederick and Mary's children were: James, married Nancy Keeton; William, married Celia Fraley; Chloe, married Moses Adkins; Richard, married Margaret Crawford; Lavinia, married Robert Keeton; Jane, married William Barker; Frederick, married Barbara Fultz; Jackson, died young; Wilson, married Priscilla Fultz.

In 1842, Frederick married Cynthia Bare/Bear. They had two girls, Sarah and Susannah, born early 1840's. No other information on these two girls.

Frederick died in West Liberty about 1845.

Looking for any kind of information: pictures, family stories or Bible pages. Also looking for someone to do tax and estate records research for Morgan County.

Please contact Penny Fraley Richardson, P.O. Box 614, Marion, Ohio 43302, or email: muffin2@gte.net

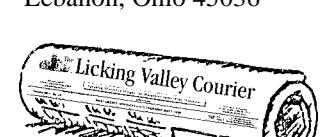

Thank you.

**WRITER WANTS TO HEAR FROM RELATIVES**

Dear Editor,  
Enclosed is \$30 for subscription to your paper. Not sure of the rates. Maybe this will get me a year's subscription.

I left Morgan County in 1940, not sure if I know anyone in Morgan County, maybe some of my dad's cousins' children which would be Hagers or Bolins. If so I would love to hear from them.

## Still Growing at Grace

"Free For All" participants gathered at Grace Baptist Church, at Malone, Saturday, Aug. 1.

Grace Baptist Church on Rt. 191 at Malone has, as usual, seen a very busy year. We just recently finished our fifth annual "Free For All". If you are not familiar with this event, this is why and what we do. The first "Free For All" was given following the 9/11 attacks on the World Trade Center. It was our way of emphasizing and celebrating the many freedoms which we enjoy in this country that most of us take for granted. The most important reason was, because Jesus freely gave to us, we want to freely give to others. Each year we gather whatever we have that we don't need, sort it into clothing, men's, women's, and children's, shoes, toys, house wares, glassware, and whatever else we have, move it into the parking lot and invite anyone who wants and or needs it, and just like salvation, it's all free. We usually try to get this done as close to school opening as we can because for most people that is a needy time of year with clothing and supplies to buy. It takes a lot of work getting it organized and everything sorted, but it gives us an opportunity to spread God's Word and minister to people who we otherwise would not see.

On March 1, 2009 Grace celebrated its fifteenth year of service to the Malone community and surrounding areas. The first service was held in the old church building on March 6, 1994 with 48 persons attending and three coming forward with professions of faith. Four months later, on June 19, 1994, Grace Baptist Chapel was constituted into Grace Baptist Church. At a business meeting September 14, 1997, the decision was made to buy the house and land adjacent to the old church. Building plans were approved April 2000 and the ground breaking for the new church followed on Saturday, May 27, 2000.

The official first service was held Sunday, Dec. 24, 2000.

The house was packed each night during the week of May 3-7, 2009 at our spring revival with speaker Bill Saye. His is a very exciting and interesting story of how God brought him from a life of crime, drugs, prostitution, and murder, that left him in prison under a death sentence, to becoming an evangelist who tours the nation preaching the Gospel of Jesus Christ. Numerous people came forward each night seeking salvation or rededicating their lives to serving God.

Our Vacation Bible School was held June 8-12, 2009, from 6-8:30 each evening. Attendance was down slightly this year, averaging 112 each night. The attendees always have a contest between girls and boys to see which can contribute the most to help support the Kentucky Baptist Children Homes. They gave \$473.43 this time! We're so very proud of them for giving!

We have a great group of teens and children who are very interested in the activities that are offered. There is the Clown Ministry; they provided a program for Mother's Day this year. The Hands of Praise do contemporary gospel music in sign language. The Grace in Motion Puppeteers are busy learning new skits and programs. Interpretative Movement Group are learning new routines. The youth leaders always plan activities which are good fun and provide life learning experiences; ice skating excursions, parties for those graduating from high school, educational trips, scavenger hunts, pool parties, bon fires with weenie roast and marshmallows. July 9-12 they went with several adults to Spirit Song at Kings Island. Two of our deacons also went with

them and were so fascinated by the newest ride that they rode it twice. Some go to Bible Camp each summer where they are lead in Bible study and chapter memorization. The camp is held each year at Pennyrile State Park where Faith Missionary Baptist Church of Maddingtonville, Kentucky conducts the camp. Brother Chuck Evans and wife, Marcia, who are formerly from Morgan County pastor the church. Grace just completed the nominating process for the following year which includes church officers, Sunday School teachers, Sunday evening discipleship training teacher, Wednesday evening Bible Study teacher, Creative Ministries leader, teachers helpers and enough members to staff eleven committees and numerous other positions.

Our Baptist Woman's Meeting was held July 25, 2009 in the gazebo at Old Mill Park. Irene Stamper provided the program which was about how a wise woman speaks and acts. These words and actions should come from being well versed in the Bible and knowing everything she should know in order to explain to the lost and help them to come to salvation! We also got to meet the newest potential member of our church, Noah Dalton Lindon, born to Sandy and Chad Lindon recently. We enjoyed good homemade food and wonderful fellowship.

Baptist men and women both are famous for the enjoyment gained from our "eatin meetins". In addition to the Baptist Woman's Meetings, the Men's Prayer Breakfast meets once a month for, what else?, an "eatin meetin"! There is a lot of good that comes out of these meetings besides getting to know all of our church family and trying to meet some of the needs of our church and community.

Grace future events include Annual Community Outdoor Gospel Sing, September 12, Sorghum Festival Service on Main Street in West Liberty, Sunday, September 27, Fish Fry, October 10th and many other church activities.

We are very glad to offer our prayers and some financial help to one of our church members, Dr. Jeff Bailey, who will be going to Haiti with a group of fellow dentists to offer dental care for some of the neediest people on earth. They have terrible poverty and many great needs of all kinds. So far in this year of 2009, we have been overjoyed to welcome fourteen new members into the Grace Baptist Church Family, and more importantly, into The Family of God!

Grace Baptist Church is located on Rt. 191 in Malone. We love having guests, and everyone is welcome!

## Twenty-Six

By Sherry Bailey

Aug. 10 — I'd like to extend get-well wishes to all the sick and shut-ins and my sympathy to all who have lost loved ones recently, especially Thelma McGuire's family.

Bill and I visited his brother and sister-in-law, Charles Ray and Beachie Bailey and sister-in-law, Alice Bailey, at White Oak recently.

Bro. Monty Perry and his wife, Sis, Christine, from Tiro, Ohio, were our overnight guests on Thursday evening. We attended the hog roast at Smith Creek, and the Clarence Kelly Bluegrass Festival. Bro. Perry was our pastor for many years while we lived in Ohio.

If you like to reminisce about the past, you need to buy Clarence Kelly's last CD, "A Trip Back in Time." If you are more than 50 years old, it will bring back some sweet memories of the Good Ole Days. There's a song about Pa-paw's bibbed overalls. It brought tears to my eyes, when I thought back to my Papaw and how much I loved him. My cousin, Liz Phipps, has some of Clarence's CD's for sale; so if you want one, let me know and I'll put you in touch with Liz or Clarence.

I ran into Mickey Spradling at the bluegrass festival. I hadn't seen him in 100 years (more or less — ha). He told me he reads my Twenty-six News. I was glad to see you, Mickey.

Get well wishes to Bill Brogan. Please pray for strength for Phyllis. I know she's had her hands full, trying to take care of Bill and help with her mom too. Phyllis, your mom's in a place now where she won't need taken care of anymore. She is in a better place than we are.

I visited with Lillian Nickell of Main Street in West Liberty last week. There's not too many of Mother's friends left, but she is definitely one of them. I really enjoy visiting with her.

Sunday afternoon, Bill and I visited his aunt, Georgia Mae Lacy, and her daughter and son-in-law, Mary Jane and David Ison of Indian Creek.

Mr. and Mrs. Gregory Terry attended the Jim Prater reunion Saturday at Old Mill Park. There were over 140 in attendance.

Our cousin, Cletis Day, returned to Overton, NV last week, after visiting relatives in the area.

I didn't write any news a week or two ago, and missed the week that I should have extended my sympathy to Mr. and Mrs. Harold McKinney of Kellace Road on the loss of his mother, Ollie.

If you have anything you want included in the Twenty-Six news, please phone me at 606-725-5200 or e-mail me at [sbailey@mrtc.com](mailto:sbailey@mrtc.com).

## Lower Elkfork

**By Alpha Clevenger**  
Aug. 3--Sympathy is extended to the family of Robbie Helton. The news came today that he had an automobile accident Tuesday night and was rushed to Morgan County Appalachian Regional Hospital and was pronounced dead at the hospital. May God bless and comfort his parents and all his relatives. He will be sadly missed by all his loved ones and friends.  
Alpha was at the park Sunday afternoon to take my daily walk. I always walk on Sunday afternoon. I go to church and stop at the park and I saw a lot of people under the large shelter. I stopped by and they asked me to eat lunch with them and they told me what church they belonged to. It was Haven of Hope Church of West Liberty. I enjoyed their hospitality and friendship. They were nice people. Thanks to them.  
Alpha was sitting on the porch Friday evening breaking green beans and I had filled the humming bird feeder up with sugar water and I couldn't help but notice so many beautiful little humming birds swarming around the feeder. They were different colors and I noticed one was golden color and some green ones and

red ones. I love to watch them and sometimes they get into a fight and some leaves out. I have to laugh at them sometimes.  
Alpha was at Herald and Stewart Funeral Home on Friday night for the wake of Robbie Helton. I never saw so many people at the funeral home. Such a large crowd and so many beautiful floral arrangements. So many standing in line to pass by and see all the photographs of the young man, and family and friends. He was known to be a very good Christian boy. His family will miss him. May God comfort each one of his family.  
I was out in the back yard Friday morning and to my surprise I saw something I had never seen before and it was eating where I had thrown out corn shucks and other scraps. At first I thought it was a deer. It was brown and had a long tail and its head and face was different than a deer. It didn't move for a minute and it saw me and I made a move and it fled. I thought to myself that wasn't a deer. It was a coyote and it sure looked thin and was wanting to eat.  
Alpha talked to Joy Friday and I thought she was going to come over and visit but she had to do a lot of chores and couldn't make it today. I hope she gets to come

over on Saturday or Sunday. I plan on going over to visit with her real soon. I have been so busy working up some produce, etc. It seems I don't get time to go and visit with relatives like I want to. I hope co can when I take care of everything. So much to do at this time of year. Barry came today Friday and Thursday also and done some weedeating for me and stopped at the grocery store. I was glad to have his help. Thanks to him.  
I talked to Dempsey recently and took him lunch Monday, Tuesday and Wednesday at Frederick and May. He appreciated it very much. I worry about him working so hard. He never slows down it seems.  
So thankful to see the sun shining. Its been a beautiful, sunny day today. Thursday was also a nice day and its giving a few more days of sunshine. Everyone is glad of that. It been so much rain for so long. I hope the month of August is dry and sunny.  
School started on Thursday. Its hard to believe that its time for all the children to go back to school. Summer has passed by so fast and it will soon be fall and winter before we know it and have to start using our gas heaters. Its going to be expensive. Wish I had my stokermatic stove for heat. I love coal heat a lot better but it's a lot more work to it and coal is expensive also. Everything is high anymore.  
I was walking at Old Mill Park Saturday evening and the river had been up high after all the rain we've had for weeks. I had begin to wonder if the rain was ever gonna let up and I was walking and looking at the water. It wasn't as muddy as it had gone down and the light was on the water and shining. It was beautiful. God makes all things beautiful for the world to see.  
Barry came Saturday morning early and stayed all day and done weedeating and burned trash and cleaned the yard, etc. He done a good job. Thanks to him. Friday he was here working and I had half of a candy bar in the swing on the front porch. He ate it and later asked me if I had any more chocolate and I told him no and right then I ran into the kitchen and made him a platter of chocolate fudge real quick. I took it to him out on the porch and I said to him here I made you a platter of fudge and he was surprised that I had made it so quickly. He really enjoyed it. He always loved my homemade candy, as all the others did, too.  
How are you Jewell Lewis?

Hope you are well. Haven't heard from you in a while. Call me sometime.  
How are you Sue Kinner? Hope you and Earl are fine.  
Everyone will be missing McKenzie's Shopwise. I think Saturday was the last day for the store to be open. I didn't get to go to the store the last day as I had already been there a few days ago. it was the best grocery store to buy anything in the gorcery line. We've traded there for years. I sure will miss buying groceries there. Everyone is hoping for another gorcery store in town. Tommy's Market has been closed for a while. So now we'll be going to Save A Lot or IGA at Index. A few miles from West Liberty.  
I always hear Rev. Vernon Lewis on W.L.K.S. West Liberty each Sunday afternoon and Rev. Donnie Wheeler and all the others. They all do a good job. Keep up the good work. God needs people to get out and work for him. For soon the Lord is coming back to claim His own.  
Gayle called Sunday morning. Good to talk to her again. She said she had been visiting friends and relatives and said she hadn't been gardening or canning very much this summer as she had a lot of canned goods left over from last year.  
How are you Karen Lewis, of Louisa? Hope you are improving and on the mend. Call me real soon. I hope you can come for a visit real soon. I think of you and pray for you daily. God bless you. I love you.

# Caney Valley News

By Tracey Barker Hatton

Aug. 10--Hello again from Caney Valley. We have the first week of school in and all has gone well. Continue to remember our school systems in your prayers. Remember our children, teachers, and staff.

I talked with Coleman Howard the other day. He is now semi-retired. He worked for The Licking Valley Courier for 40 years full time now he works 2-3 days a week. He said he is enjoying this and getting to spend time with his family, wife, Sheryl, and son, Austin. Congratulations to Dane

Cravens, son of Gene and Cheryl Cravens and grandson of Helen Cravens. Dane earned a presidential scholarship to MSU.

I talked to Donalda McCarty Harper at Caney General the other day. She said that they had just got back from vacation; Donalda, her husband, Matthew, Cheyenne, Surry, and Tyler went to Myrtle Beach, South Carolina. She said they drove all night and at 5 a.m. on Sunday morning they were standing in the ocean. Donalda said they took high-powered binoculars so Cheyenne could see the ocean. She told her mom that she could see the dolphins jumping out of the water. When she told her this, Donalda began to cry. Cheyenne is legally blind and has

glaucoma, so this was a blessing to her. Cheyenne will be undergoing eye surgery on August 15th for pressure in her right eye. Please remember her in your prayers.

Well going back to their trip, Donalda said they had so much fun. One night Surry and she sang karaoke on the beach, they sang Proud Mary, I love Rock & Roll, and Summer nights with the disc jockey. She said the crowd loved them and they had a blast. They were titled the "Kentucky Girls". Donalda said they are looking forward to going back next year. Helen McCarty, Donalda's mom chimed in and said while they were having a great time, I was working hard here at the store for

her. I told her thank God for good mommies and she smiled.

Carol Adkins had called the other day and said she had something for me. She had bought out the Helen Price Stacy Estate. She had a program from the 1978 Junior Miss event. I was in Junior Miss along with eleven other contestants. She wanted me to have this. Thanks Carol for thinking of me.

The Spencer reunion will be held this Sunday, Aug. 16, at the old home place here at Caney. Boone went back to the doctor on August 4 and is doing well. Boone and I went over to see Mom and Cecil and they are doing well. We went over to the nursing home and visited with

family and friends. I was called down to pull another one of Jordan's teeth. He let me pull another front tooth and did well.

Happy birthdays: Becky Hatton, Calvin Sanders (my son), Trish Adams, Pat Hager.

Prayer Requests and Praises: Everene Havens called the other night and wanted her daughter, Debbie Havens Smith, remembered in prayer. Debbie was diagnosed with cancer over one year ago. Since that time she has had her voice box removed and had treatment. Everene said she wanted to thank everyone for praying for her and she is doing some better, she praises the Lord for this. Everene said she appreciated my mom going and seeing

Debbie. Mom, along with Girden Lindon, was our brownie leader when we were young girls. Debbie along with me, Leshia Lindon, Teresa Spencer, Sarilda Davis, Becky Barker, Pam Bailey and Diane Craft were in Brownies together. Debbie, we will remember you in prayer. Remember Don, Georgia and Montana Cheek, Anna Ruth Harper and her family, Diane Jett, Cara Dunaway, Jimmy Profit, Debbie Patrick, Sherry Lindon, Scarlett Vance, Jaylynn Craft, Naomi Gallion, Alma Peggy Vancleve. May God bless you and your prayers. Phil: 4:6 (KJV).

Boone and I were talking the other night, summer is almost gone. We were discussing the verse Jeremiah 8:20 (KJV) "The harvest is past, the summer is ended and we are not saved." This verse applies to people who have not accepted the Lord Jesus Christ as their Savior and have not asked forgiveness of sins with a repentant heart. Many times people will make the excuses, "I know I need to make a change," "I know I need to go to church," "I will go to church sometime." You see it is not your choice to change whenever you want; it is the wooing of the Holy Spirit that speaks to your heart. The Lord draws you unto Him. It is not His will that none should perish but all should come to repentance. When the Lord is working in your life, you will know and He gives you a choice, what you do with that choice is up to you. In John 6:44, "No man can come to me, except the Father which hath sent me draw him and I will raise him up at the last day." Remember we do not know when our life on this earth will end, but we need to be ready and let our harvest be plentiful. May God bless and keep you.

# Young entrepreneur's lemonade stand nets \$126 for county's new animal shelter

Brennan gives a thumbs up as he opens his lemonade stand for business.

A local elementary student recently set up shop and sold lemonade to raise funds for Morgan County's newly-opened county animal shelter.

Brennan Ison, 7, a second grader at Morgan Central Elementary School, set up a lemonade stand — 9 a.m.-2 p.m. Monday, Aug. 3, in front of Ison Insurance Agency on Riverside Drive. He made posters that were placed throughout town advertising his stand, while his parents, John and Jenni Ison, informed their friends of the effort via e-mail.

Brennan raised \$126 for the animal shelter, and also collected dog and cat food from customers, who included several Ison

Judge Executive Tim Conley, shown at right with Brennan, stopped by for a cup of lemonade and brought a donation.

Insurance clients, as well as friends, family and approximately 15-20 teachers from West Liberty Elementary School.

Judge Executive Tim Conley also stopped by the stand and

A lot of folks stopped for to buy a cool glass of lemonade

made a generous donation, as did people from several local businesses.

The day before Brennan opened his lemonade stand, Brennan inquired of his mother if he could ask "Obama" to participate. Brennan and his mother sent President Obama an e-mail explaining what Brennan was doing, and invited him to event.

Brennan is thankful for each person who stopped by, and for each dime and dollar that he collected. His parents want to thank everyone for their support.

It was really suprising how many people stopped by to support this little boy and his efforts in helping Morgan County's animals.

## ITS ME AGAIN LORD

Lord, you give strength when I'm weary, comfort me when I am sad. You do so many things for me, that makes my heart glad. You open up your store house, and presented me the key. In every kind of conflict you bring sweet victory. I thank you Lord Jesus, for all this good you do, in joy or in sorrow I know I can depend on you. You are the healer of diseases, the savior of all sin. You can take the down and out, and make them whole again. Lord, I just want to praisie you, for your love so divine. I want the world to know Lord, you are the very best friend of mine!

## Your Social Security

### Internet Important Tool For Beneficiaries

People who use social networking websites know that it can be exciting to reconnect with long-lost friends and relatives over the Internet. Such surprise connections can be fun and conjure up memories of times forgotten. But what if you have a more serious situation and you need to locate a particular person? Perhaps Social Security can help. Social Security is in the business of paying benefits, not reconnecting people. But, in some cases, we will do what we can to help.

We will attempt to forward a letter to a missing person under circumstances involving a matter of great importance, such as a death or serious illness in the missing person's immediate family, or a sizeable amount of money that is due the missing person. Also, the circumstances must concern a matter about which the missing person is unaware and would undoubtedly want to be informed.

In less dire cases, such as when a son, daughter, brother or sister want to establish contact, we will write to the missing person, rather than forwarding a letter.

Because this service is not related in any way to a Social Security program, its use must be limited so that it does not interfere with our regular program activities.

There is no charge for forwarding letters that have a humanitarian purpose. However, we must charge a \$25 fee to cover our costs when the letter is to inform the missing person of money or property due. This fee is not refundable. The fee should be paid by a check made payable to the Social Security Administration.

To try to locate an address in our records, we will need the missing person's Social Security number or identifying information such as date and place of birth, father's name and the mother's full birth name.

Unless a missing person is receiving benefits under a program Social Security administers, we would not have a home address for them. Usually, we forward a letter in care of the employer who most recently reported earnings for the person.

Requests for letter forwarding

should be sent to Social Security Administration, Letter Forwarding, P.O. Box 33022, Baltimore, MD 21290-3022.

Learn more about this service at [www.socialsecurity.gov/foia/html/ltrfwding.htm](http://www.socialsecurity.gov/foia/html/ltrfwding.htm).

The Licking River Rider 4-H Horseback Drill Team, fresh from their victory at the National 4-H Drill Team Competition in Cookeville, Tenn., will perform during intermission at the Mountain Horse Celebration in West Liberty on Saturday, Aug. 22. The team won the right to represent Kentucky in the Nationals by winning the state title in July. The Mountain Horse Celebration and Pleasure Show will begin at 6:00 p.m. at the Morgan County Fairgrounds off U.S. 460 E. in West Liberty.

Mountain Horse Celebration Aug. 22nd to feature national champion drill team

The annual Mountain Horse Celebration and Pleasure Show is scheduled for Saturday, Aug. 22, at the Morgan County Fairgrounds. The show, a part of the Morgan County Fair, will start at 6:00 p.m. and will feature 33 classes for all Mountain Horse breeds, as well as other open pleasure classes.  
Cash prizes and ribbons will be awarded to first-, second-, third-, and fourth-place winners.  
For additional information, contact show manager Langley Franklin at 606-743-4415 or (606) 794-0350 (cell).

A special feature this year will be a performance at intermission by the National Champion Licking River Rider 4-H Horseback Team.  
The Licking River Rider 4-H Drill Team has continued their 2009 "winning streak" by proudly representing the State of Kentucky in their recent bid for a national 4-H Drill Team title. The competition was held July 25 in Cookeville, Tenn., where the squad was crowned the 2009 National 4-H Division 1 Drill Team Champions.  
On July 1, the team was awarded the 2009 Kentucky State 4-H Division 1 Drill Team Championship in Louisville, to qualify for the national competition. The all-girl, all-gaited horse squad performed a beautiful nine-minute precision drill team routine to win its first-ever attempt at a national title and were excited and proud to represent Kentucky in such a prestigious event.

While in Cookeville, the team also competed in the "Dixie Classic" open drill team competition where they performed against both juvenile and adult squads and won a total of 12 trophies and were named overall champions.  
The squad consists of members from Montgomery, Menifee, Clark, and Bourbon counties and includes: Becky M. McCoy (captain), Emily Robbins (co-captain), Megan Brewington (co-captain), Sarah Crouch (senior rider), Kelsey Burton, Shelby Lowe, Haley Anderson, Taylor Davidson, Dahlia D'Arge, Sofia Fedyna, Meredith Craft, Tessa Skees, and Lacy Reed. They are coached by the mother-daughter team of Robin Little and Jenna Ratliff and assistant coach Kirstie Ratliff.

If you are participating as we will be recognizing each individual business and church, etc. as well as giving awards at our annual G.I.F.T. program dinner, so grab a team, grab a sponsor, and lets compete for this very worthy cause.

Come and join us Friday, Aug. 21, starting at 5 p.m. and get in on the bidding for a chance to smack your elected official in the face with a pie. Be sure to watch next week's paper. ## Homeless Shelter budget cut 30%; fund raisers set

Gateway Homeless Shelter, serving homeless individuals and families of Bath, Carter, Elliott, Fleming, Menifee, Montgomery, Morgan and Rowan counties, recently received a devastating \$72,500 budget cut. The cut amounts to 30% of the shelter's operational budget. Gateway Homeless Shelter has seen an increase in services provided of 103% over the past year and the budget cut may jeopardize the number of families the shelter will be able to assist, according to Marilyn Smith, Executive Director of Gateway Homeless Coalition, Inc.

"The declining economy has resulted in the need for our services more than ever and this budget cut could not have come at a worse time," Smith said. However, she said she is very optimistic about the support the shelter receives from the local community. "I know the community will continue to reach out to those in need and continue to support Gateway House," she said. "I have faith Gateway House will keep its doors open during these difficult economic times."

In response to the recent bud-

get cut, Gateway Homeless Shelter is hosting the first annual "Fundraising Week" on Aug. 31-Sept. 4. The week will consist of a fundraising competition between MSU campus organizations and will include a community Steak Dinner and Silent Auction.

Gateway's Steak Dinner and Silent Auction will be held Tuesday, Sept. 1, at the Carl Perkins Building located in Morehead. Tickets may be purchased in advance or at the door for \$10. The steak dinner includes steak, salad, a baked potato, roll, dessert and a free drink. Silent Auction items up for bid vary from tickets to Keeneland Horse Tracks, local folk art, University of Kentucky athletic tickets and much more.

The dinner entertainment will feature local DJ's, Thunder Dan Griffin and Big Bill Compton as they host "Name that Tune." If you are interested in purchasing tickets or selling tickets to help raise money, please contact Gateway Homeless Shelter at 606.784.2668 or toll-free at 877.627.5754

August 10 — Get well wishes to the sick and sympathy to all who have lost loved ones.

I would like to send out sympathy to the family of Thelma McGuire who passed away. Thelma was a good Christian person. She will be sadly missed at Toms Branch Community Church where she has attended for years. The Toms Branch Community Church has lost two life time members in just a short while.

On August 4, the writer, Barbara Carpenter and Harold Goodpaster drove down to Winchester Nursing & Rehab to visit with Venus Goodpaster. Venus is holding her own at this time. She slept most of the time we were there. While on our way down we had very hard downpour of rain. It was so bad the cars had to pull off the roadways.

I spoke with a good friend of mine and schoolmate, Angie Fairchild Harmon. I inquired of her mother, Florene Fairchild, and she said she was getting along much better after being in the hospital for several days.

School has started back again. I see the big yellow bus going through every afternoon. Be careful when out on the roadways and watch for the children entering and exiting the buses. The mornings have been very foggy and it's hard to see ahead of you while driving.

The writer spoke with her son, Jody Hall, by phone the other day. Good to hear from him. He stays busy working all the time.

A belated Happy Birthday goes out to Bessalene Ball. And I would like to wish you many

more to come.

Harold Goodpaster and Gearld Goodpaster met at Ezel on Monday, Aug. 10, and drove to Winchester to visit with Venus. They reported she was about the same at this time.

Get well wishes go out to Carolyn Montgomery, who had surgery at St. Claire Hospital in Morehead. She was there for several days. Hope you are doing ok.

Bonnie Havens and family were out yard saleing at the 127 yard sale this past weekend. It's a 600 miles long yard sale. I always wanted to go but haven't got to as of yet.

Tamera Carpenter had a birthday on Aug 8 and celebrated on Sunday. She and friend, Adam, Tate went to a Legends baseball game in Lexington, then on to Hamburg shopping and out to eat. She stated it was really hot that day sitting out in the sun with temps in the 90s.

I don't have much to report this week. Please call if you would like news posted — 725-4186.

For those with a sweet tooth I will leave a recipe that you may like to try. And a cooking hint.

### Cherry Delight

1 med. container Cool Whip  
1 can crushed pineapple  
1 cup chopped nuts (optional)  
1 can cherry pie filling  
1 can condensed milk  
Stir all ingredients together and chill.

Keep refrigerated until ready to serve.

Hint: When cooking vegetables that grow above ground, the rule of thumb is to boil them without a cover.

Hint: Fresh lemon juice will remove onion scent from hands.

## Tobacco Festival Pageant

The Elliott County Co-Ed Cheerleaders will be hosting the Tobacco Festival Pageant at the Performing Art Center in Sandy Hook on August 28-29. The categories are as follows: 0-5 Months, 6-12 Months, 13-24 Months, 25-36 Months, 37-48 Months, 4-5 Years is Mini Miss, 5-8 Years is Little Miss, 9-12 Years is Young Miss, 7th-8th Grade is Junior Miss, and 9th-12th Grade is Miss. Young Miss, Junior Miss, and Miss Categories will be judged on sportswear as well as evening wear. The cost per participant is \$35. Optional categories include Photogenic (2 photos) \$10 and Best Hair, Eyes, and Smile (all three) \$5. You may register at the Sandy Hook round cateteria on Wednesday, August 19 from 6-8 p.m. or by calling Tara Griffith at 606-738-4461 or Stephanie Sturgill at 606-738-6746.

## THINK ON THESE THINGS

If you are ever plagued with doubt,  
And question whether God's about,  
Try thinking on some simple things;

You'll be surprised the peace it brings'  
A sleeping child; a summer's day;  
A puppy, awkward in its play;  
The clean, washed air that follows rain;

A diamond frosted window pane;  
An apple tree all pink and white;  
The stillness of a starlit night;

A fire crackling on the hearth;  
The smell of freshly spaded earth;  
A trail you knew once long ago;

A picket fence high-capped with snow  
A song your mother used to sing--  
Why you can pick most anything  
And you will find your answer there--

It's still God's world--He's everywhere.

### Kiwanis Club Inducts New Members

Two new members were inducted into the West Liberty Kiwanis Club on Monday, Aug. 3. On the left is Dr. Vellayar, of Morgan County ARH, and Gene Cornett, of SRG Global. Presiding over the induction is Joel Mendendorp, president of the local club.

This old photo of students and teacher at Lost Creek School was made by the late Russell Brown and is scheduled to appear in a new book by local historian Lynn Nickell.

### Info is sought on former teacher at Lost Creek schl.

Local historian Lynn Nickell would like to know if anyone can identify the teacher in this photo of the Lost Creek school.

"From the looks of her style of clothing, it appears to be in the decade of the 1950s," Nickell said. "It is a great picture taken by the late Russell Brown."

"I have been interested in old photos for years and have downloaded thousands in my computer," said Nickell, adding that out of the thousands of photos, there are some that stick in his mind as the best, and the above photo is one of those."

Nickell is requesting information on the teacher, as he is completing another photo album book to be ready for the Sorghum Festival.

Nickell's latest book has over 700 photos, a great number of which are from the Helen Price Stacy and The Licking Valley Courier collection. In fact, Nickell is dedicating his new book to Stacy, who was a prolific writer of local history. "She put on paper what Claude Wells put on negatives," said Nickell.

In the acknowledgments for the book, Nickell gives Carol Sue Adkins and Roger Finch credit for sharing photos from Stacy's estate.

The book, *Morgan County, Kentucky: A Photo Album #4*, will be available at Nickell's booth during this year's Sorghum Festival.

### POEM

Does God hurt when I hurt? I am quite sure He does. For God is in sympathy with His children He loves. I know God felt much pain, when Jesus died for me. There are times I want to complain because I am not pain free. Jesus did not take my pain when He took my sins away. But Jesus did give me the grace to bear pain day by day. Jesus said, my grace is sufficient and I have found this true. Every account I read about Him my Savior suffered too. Suffering never kept my Lord, from

dying for my sin and I believe with all my heart Jesus would do it all again. How would I know when others hurt if I did not feel pain? How could I ever sympathize when one who hurt complain? How could I understand their grief? And the sorrow that they go through. If I never felt their pain and felt their sorrow, too. So I am sure God feels their pain and helps us bear the load, and clears away the pitfalls, upon our daily road.
